Dear Parents,

Term 4 has commenced in a positive way with a successful fundraising evening Comedy for a Cause, raising $8077 towards the 2016 music program. I extend my thanks to everyone who supported this event P&C members and parents, school staff, families, friends and community members. It has been a wonderful example of the school community connecting with each other to support the student’s learning opportunities.

Congratulations to Ms. Thu Tran who was the first prize winner of the raffle. She generously donated $200 of her prize to the school.

We were delighted to welcome Grandparents and friends to our school on Thursday to celebrate and acknowledge the vital role they play in our society, as custodians of individual and cultural memories and as providers of care and love to their children and grandchildren. Happy Grandparents Day.

Our friends from the Men’s Shed have made a sensory panel for the playground. This offers an area for students to explore textures and shapes. Thank you to the team at the Men’s Shed for their ongoing support in making items for our students.

Kind regards
Carmel Seeto
Principal
