Dear Parents,

Today our school community celebrated Harmony Day which acknowledges and celebrates Australia’s cultural diversity. It’s about inclusiveness, respect and a sense of belonging.

Orange is the colour for Harmony Day – it unites us in our support of cultural diversity and was the colour worn by many students, staff and guests. Beautiful posters were made by students depicting aspects of harmony Day and displayed around the school.

The flag ceremony is a way for us to acknowledge the diverse cultures which make up the fabric of our school. Students from across the school presented various flags to represent the countries and cultures of our school community.

Our community supports us to provide quality learning for all of our students. The staff at Chalmers Road School is committed and enthusiastic. They work on a daily basis to ensure the students are engaged in learning.

Our community are generous in time, enthusiasm and in supporting our vision for the school. I would like to acknowledge The Commonwealth Bank – Lidcombe Team, for their donation towards classroom teaching stands.

The Primary Club of Australia was represented by Lindy Stuart and Benjamin Richards. The soft fall surface for the Middle and Junior school playgrounds was funded by the Primary Club of Australia. We greatly appreciate their financial support for these projects.

We all enjoyed the African Drummers who entertained us and provided the opportunity for our students to dance and play drums and percussion instruments. Thank you to the families, staff and friends who provide a delicious food for today’s celebration.

Regards
Carmel Seeto
Principal

Student Health

While every effort is made by school staff to support students at school, there are not the resources or facilities at the school to manage students who are unwell. Students who are unwell should be at home until they are well for their wellbeing and the wellbeing of other students and staff. We work with families to support students healthcare needs and ask for cooperation in not sending children to school when they are unwell.

On return, please send a note to explain an absence. This is a requirement for school records.
